

## TRY THE CIRCULATOR BUS TO GET AROUND DC

It's easy to use & stops at spots that don't connect to Metro! The Red Line goes around the Mall, Tidal Basin, and monuments. Check out [www.dccirculator.com](http://www.dccirculator.com) for maps, hours, and stops.

## CAMPING OPTIONS NEAR WASHINGTON, DC

Currently, many SC05 families prefer to drive to Washington, DC rather than flying, and some choose to travel by RV. Recently, a Rock Hill, SC family shared their 4th of July travel experience of an overnight stay at Cherry Hill Park.

*"Staff was very helpful. [The RV] sites were large with bricked patios. There were tons of amenities. It was a safe place for kids to ride bikes. Shuttle to/from the city was easy. The only negative was 'the day we had to leave.'"*

We cannot endorse any service or attraction, but we thought you might like to know if you plan a "road trip."
